

Podar International School, Baramati
Annual Report
(A.Y.2023-24)

The 2023-24 academic year was a resounding success, demonstrating that significant achievements are cultivated through consistent effort and collaboration. Our team's exceptional work has yielded remarkable results. We are immensely proud of our students and faculty for their dedication and commitment to surpassing expectations. Our focus on holistic development has created a nurturing environment where young minds can flourish and cultivate their unique talents.

Through repositioning, restructuring, and refocusing our efforts, we have established a platform for individual growth and comprehensive personality development. We believe that our students will become responsible global citizens who can collaborate effectively, think critically and creatively, communicate with purpose, and prioritize their well-being. Our collaborative efforts, coupled with the invaluable support of our parents, SMC, and PTA members, have created a thriving learning environment.

Academic Performance:

Podar International School, Baramati, equips students for the digital age through seamless tech integration. Interactive learning and experiential education foster creativity, critical thinking, and emotional intelligence. Our art-integrated curriculum from Grades 1-10 cultivates holistic development, blending academic excellence with artistic expression. Students at Podar become well-rounded individuals prepared to excel in a complex world. Our faculty is not limited to only textbooks and by using interactive teaching resources, the learning environment has become more hands-on. Our art integrated curriculum not only helps students strengthen their understanding of core subjects, but concurrently fosters appreciation and understanding of the fine arts. We give our students opportunities to draw, paint, sketch, sing, play instruments, dance and explore other forms of art, thereby honing their skills and strengths.

The school has a consistent record of 100% success in the CBSE Board Examinations. In the Academic Year 2023-24, this trend continued with all Class X students passing. Moreover, 12 out of 47 students achieved outstanding scores of 90% and above.
