Sub: Monthly Circular – August- 2024

Dear Parents,

Greetings from Podar International School, Mangalore! We are sharing with you the latest updates, events, and important information through our monthly circular.

Parenting Tip of the Month: Using ‘noticing’ statements

When you praise your child for specific actions, it helps them to feel good about themselves and lets them know what behaviors you like. Instead of saying ‘good job!’, try being more specific with a ‘noticing statement’: “I noticed that you put all of your toys away after playtime. Nice work!”

Warm regards,

The Podar International School Team
