Sub: Monthly Circular –November- 2024

Dear Parents,

Greetings from Podar International School, Mangalore! is sharing with you the latest updates, events, and important information through our monthly circular.

Parenting Tip of the Month: Make Communication a Priority

As a parent, you cannot expect your children to do everything just because you say so. They are just as entitled to and expect explanations as adults are. Children will start to question whether our ideals and motivations are legitimate if we do not take the time to explain. Children may comprehend and learn in a nonjudgmental manner when their parents use reason with them.

Clearly state what you anticipate. If there is an issue, explain it, share your feelings, and ask your child to help you come up with a solution. Don't forget to include repercussions. Provide options and make recommendations. Additionally, be receptive to your child's recommendations. Engage in negotiations. Children who are involved in decision-making are more inclined to follow through on them.

Warm regards,

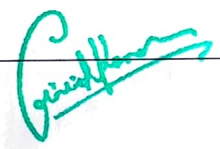

The Podar International School Team
