MANGALORE

Notification: **SPOT(Science Promotion Oriented Test)**

Ref No: **PIS/ACT/SEAT/2024-25/46**

Dear Parents/Guardians,
Greetings!!!!
Podar International School.

Our school will be administering SPOT (Science Promotion Oriented Test) organized by Vikram Sarabhai Science Foundation (VSSF). The SPOT assessment examination is annually conducted for students with aptitude to determine their conceptual knowledge and understanding of science, across disciplines. It primarily focuses on science identity creation & simplifying science with an aim to inspire the youth and the next generation of innovators as well as, to create a dynamic and integrated research community.

The VSSF Foundation offers an environment that is receptive and responsive to the questions of the inquiring minds, dynamic enough to encourage them to pursue their beliefs, foster innovation, hands-on experience, and research disciplines, and advance science literacy through inquiry-based science education.

Here are the category and important dates of examination
