

PODAR INTERNATIONAL SCHOOL, MANGALORE

Ref No: PIS/ACT/SEAT/2024-25/41

Dear Parents/Guardians,

Greetings from Podar International School Mangalore!

We are excited to announce the upcoming **Science and Math Exhibition** on November 9, 2024.

Event Details:

- **Theme of the Exhibition :“IMPRINTS”**
- **Date : November 9, 2024**

Participation Guidelines:

We invite students from the following grades to showcase their talents through various activities in Science and Mathematics:

- **Grade 1-2:** Chart Making
- **Grade 3-5:** Model Making
- **Grade 6-9:** Working Models

Rules for Participation:

1. Participants (individuals or groups of up to three) must submit their names along with the experiment title to their class teacher.
2. The participants should bring all materials required for the projects.
3. Hazardous materials are not permitted.
4. Each project must include a chart with the detailed explanation and a presenter to present the experiment.
5. The last date for the registration is **November 6, 2024**.
6. Please note that models like volcanoes and simple circuit connections are excluded.

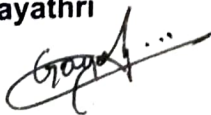

We look forward to your enthusiastic participation in making this event a success!

Best regards,

Podar International School, Mangalore
