Principal's Message

Dear Parent(s)/Guardian(s),

Greetings from Podar International School Veraval!

It is indeed a great pleasure to be associated with such a highly esteemed institution whose sole purpose of coming into existence since 1927 was to serve the society.

Thank you for choosing Podar International School Veraval, for your child. We welcome you to the large school family which comprises of 136 locations across India, 1, 65,000 students, the teachers and parent(s)/guardian(s) of Podar Education Network. Our hope is that while your child is with us that he/she will develop into a mature, happy, responsible young adult who is prepared to face the future with confidence.

The school acknowledges that parent(s)/guardian(s) are the primary educators; as a professional body of teachers, the staff of Podar International School Veraval, works in co-operation with the student and the home to help each individual pupil to reach his/her potential.

We view education as the development of the whole child - attention/emphasis is placed not just on the intellectual development but also on the pupil's physical, social and spiritual development.

Each student is a unique individual with special gifts and talents - we hope that with motivation, encouragement and hard work that all our students will discover their individual talents.

All we strive to achieve is carried out under the Vision, Mission and Values of Podar Education Network. A concern for all is promoted within the school. Respect for each individual within the school community is also a core value within our campus.

One of our core beliefs about academic success is that hard work, determination and consistent effort are key elements in achieving success; all of the above is only possible within a firm but fair code of discipline.

We are proud of our students and no doubt your child will make a significant contribution to society and nation as a whole.

I look forward with all humbleness and gratitude for your constant support, belief and feedback. We will answer any questions which you may have and where we will have the opportunity to explain in greater detail the structures which operate in the school.
